

LEE MIDDLE SCHOOL

"Every Child, Every Chance, Every Day"

**Parent
Newsletter**

JANUARY & FEBRUARY 2009

**Volume 3
Issue 2**

Dear Parent:

We had a really great first semester and are already working hard in the second semester. As always second semester is filled with testing and many other activities. When your child is involved in an assessment, please try to make sure they are in attendance and have had a good night's sleep and breakfast. We appreciate your support in that effort. We have also had many activities for the students including a Winter Formal that was a tremendous success! At LMS, we try to balance both academics and extracurricular activities to give the students an overall positive experience. Our students are some of the best in the state and it is our job to make sure they are successful and prepared for any endeavor that they will encounter in life. Please come and visit the school at any time and also support our after school activities. Looking forward to seeing you!

Cindy Wamble
Principal

The LMS School Store is officially open for business everyday before school from 7:45-8:15 and sometimes at lunch if needed. Items for sale include the following: cinch sacks, pens, markers, mechanical pens, notebook paper, science or reading fair boards, erasers, notebooks and many other items. We are also having a 1/2 price sale on our school planners!

Celebrating Black History!

SCHOOL WIDE THEMATIC UNIT:

Harlem Renaissance

For the past three years we have had a school wide thematic unit that coincided with our Black History Activities. This year we return to our original unit, which was the *Harlem Renaissance*. All subject areas will study different aspects and important people involved in this very important time in our history. We will conclude with a Black History Program, which will feature our students and their projects. Hope you can be there.
