1	Very great program! Hope that this program will see lot of years to come.	3/9/2017 7:03 PM
2	My son loves the gifted program and looks forward to it each week. Depending on the teacher typically determines the amount of information provided to the parent. In the past, his teachers have been great about communicating, one even held a workshop which I found very helpful. I haven't heard much from the teacher this semester but I have heard from my what they are learning and as long as he is happy, learning and thriving, I'm good!	3/9/2017 9:46 AM
3	There is information at the beginning of the program but not doing the school year. I would like more information sent home about monthly goals and what is it the students is working on and how and what is it teaching them.	3/7/2017 10:49 AM
4	the SPIRIT program has been really helpful for the development of our children. I would love to see that this program will continue for years to come. The best is yet to come.	3/6/2017 3:47 PM
5	There is so much more that can be done in my child's gifted class. There are several times that my child misses gifted class. This disappoints me because if the children are missing gifted class, then obviously their needs are not being met. Also, I have inquired about a Gifted Field Trip. This has never happened. I'm not sure if they are not allowed to on a district level or if the teachers are choosing not to have a field trip. More gifted units need to be planned, the kids need to be challenged more and I also think it would be a good idea for the students to learn Chess.	3/2/2017 6:25 PM
