The Family Guide for Student Success

The Mississippi Department of Education has developed family guides to assist with grade-level at home strategies and activities that support both student and parent understanding of the English language arts and mathematics standards. The Family Guide for Student Success booklets outline what children should know and be able to do in English language arts and mathematics at each grade level from pre-kindergarten through 8th grade.

Family Guides are available at your child's school or online at the link below.

Stand Up, Speak Out!

Bullying can happen anywhere, but depending on the environment, some groups may be at an increased risk. Learn what factors increase the risk of children being bullied or children more likely to bully others and what warning signs can indicate that bullying may be happening.
