*Numbers are set by Salary Schedule*
Position Title:  Assistant Superintendent of District and School Operations  
Position Type:  Exempt  
Reports To:  Superintendent  
Supervises:  Support personnel of the Columbus Municipal School District and staff members as designated by the Superintendent.  

Primary Function:  To provide leadership in the ongoing development and improvement of the instructional program of the District. To maintain and achieve quality service in the Support Services area.  

Minimum Qualifications:  
- An earned Master’s Degree or higher with Administrative Endorsement  
- Knowledge of the development, implementation, and coordinator of curriculum  
- Documented experience in school administration, supervision, and/or support service functions.  
- Knowledge of school operations as it relates to pupil transportation, child nutrition, career technical education, alternative education, security and school safety, and maintenance of buildings and grounds in support of the total educational process. (Required)  
- Knowledge of state purchasing laws, bid laws, and budgeting practices.  
- Discipline and discipline appeal hearing experience preferred.  

Major Duties and Responsibilities:  
01. Attends Board meetings and prepares such reports for the Board as the Superintendent may request.  
02. Assists in the determination of types of programs needed by the schools and makes appropriate recommendations.  
03. Reports on the status of district programs and services at the request of the Superintendent.  
04. Plays a significant leadership role in curriculum planning and in-service education for professional staff.  
05. Serves upon assignments by the Superintendent as a resource person to all administrators in the District.  
06. Interprets the programs, philosophy, and policies of the district to staff, students, and the community at large.
07. Maintains liaison with social, professional, civic, volunteer, and other community agencies and groups having an interest in the schools.

08. Establishes necessary procedures for referral and cooperative planning with other agencies, both local and state, that provide services to children.

09. Communicates to the superintendent the requirements and needs of the district as perceived staff members.

10. Oversees the procedures and processes to assure student/staff due process protections.

11. Takes an active role in Superintendent’s Management Team.

12. Oversees and maintains all reports, equipment, fixed assets, and inventories associated with support services.

13. Oversees budget planning and purchasing associated with support services.

14. Keeps abreast of current laws and regulations as they pertain to support services.

15. Supervises the bidding process in repairs, renovation construction, and purchasing required by law. Develops short-range and long-range renovation and construction plans that enhance the instructional process. Develops and oversees maintenance and custodial systems to ensure that they operate efficiently and provide a safe, clean environment for instruction.

16. Establishes and maintains a safe, efficient pupil transportation system. Assists the transportation supervisor with planning and maintaining the best and most economical bus routes. Establishes and maintains a bus repair system that ensures pupil safety.

17. Establishes and maintains a child nutrition program that provides nutritious meals and meets federal requirements. Utilizes the media to announce planned menus and special events associated with all area of support services.

18. Communicates with district security personnel to maintain a safe environment for students and employees. Assists security and administrators in maintaining and improving the district’s Crisis Management Plan.

19. Administers and evaluates the district’s insurance, EPA, Safe Schools Act programs, and other compliance areas.

20. Participates in the preparation and administration of the instructional budget.

21. Leads the Handbook and Calendar Committees in the development of the yearly publications.

22. Performs additional duties as assigned and directed by the Superintendent.

Position Title: District Assessment, Curriculum, and Professional Development Coordinator
Position Type: Exempt
Reports To: Superintendent or Designee
Primary Function: To help the district, on a continuing basis, to evaluate and revise its methods and procedures for testing so that a consistently high standard of teaching excellence and learning facility may be achieved and maintained.

Minimum Qualifications:

- Valid Mississippi Administrator’s License. (Required)
- Three (3) years of building-level experience as a teacher.
- Such alternatives to the above qualifications as the Board may find appropriate and acceptable.

Major Duties and Responsibilities:

01. Keeps continually informed regarding research in educational testing and the development of useful information and improved tests for use in educational programs.
02. Develops systemwide programs and schedules for annual group testing.
03. Administers or supervises the administration of group tests of aptitude and achievement including all district, state, and universal screeners.
04. Evaluates on an ongoing basis the system’s testing programs.
05. Supervises the scoring of tests and conducts statistical analyses of test results for all schools and areas of group testing conducted.
06. Prepares informative reports and instructional materials for the guidance of administrators, teachers, counselors, and other professionals who use group test results in performing their own duties.
07. Provides leadership in the development of improved instruments and procedures for evaluating the performance of the professional staff.
08. Designs and administers studies to identify community, fiscal, staff, and other factors that can account for variations in quality within the school system and suggests ways that these may be manipulated to improve levels of student achievement.
09. Provides counsel as to potential data processing programs in student testing and supervises their implementation.
10. Serves as a resource person in planning and conducting in service educational activities for the improvement of teaching practices in the areas of test construction, test administration, and test results evaluation.

11. Studies the ever-changing educational needs in the district and develops and implements staff training programs that will effectively meet these needs.

12. Assists in developing goals and objectives that may realistically be met by the district.

13. Develops innovative ideas and concepts and devises realistic plans and programs that may be adopted or implemented to execute those ideas.

14. Serves as a consultant in developing, administering, and reporting statistical studies and analyses made in the district.

15. Serves as a liaison between the district and other educational agencies in the development, coordination, and implementation or new programs for instructional improvement.

16. Develops, implements, interprets, and communicates the results of the District’s testing program to the entire school staff, to the Board, and to other interested parties including instructional accountability data.

17. Interprets and disseminates District and State rules and regulations.

18. Administer the state testing programs following all procedures, rules, and regulations.

Columbus Municipal School District

Job Description

Position Title: Director of Special Education
Position Type: Exempt
Reports To: Superintendent or Designee
Supervises: All certified and classified personnel of the Columbus Municipal School District assigned to the areas of Special Education and Gifted Programs.

Primary Function: To supervise a program that provides appropriate educational opportunities aligned with state and federal laws for all exceptional students and to fulfill other administrative tasks to assist in the overall administration of the District.

Minimum Qualifications:

- Minimum of master’s degree or higher in a related field; three (3) years administrative experience at the school and/or district level.
- An earned valid Mississippi Educator License with Required Endorsements: 486, 487, 488, or 189, and any 202-224.
- To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of the job.

Major Duties and Responsibilities:

Essential job functions represent the fundamental job duties and accountabilities of the employment position the individual holding the position must be capable of performing. Persons with disabilities can perform these with or without reasonable accommodations. The Superintendent or designee may assign other duties and accountabilities within the applicable scope of the appropriate professional job function.

01. Assume all responsibilities for developing, organizing, directing, and maintaining special education and gifted programs.

02. Ensure that all staff have the necessary time, resources, and materials to accomplish special education goals.

03. Assist building Principals to supervise counseling services at all school locations.

04. Make regularly scheduled visits to all special education and gifted classes.
05. Organize, plan, and conduct in-service programs relating to special education and gifted. Create and present training programs on the implementation of local, state, and federal guidelines in special education.

06. Contract with providers to enhance all components of special education programming to support a Free and Appropriate Public Education (FAPE) for all students with special needs.

07. Ensure safety of students and compliance with Americans with Disabilities Act (ADA) and State and Federal Regulations.

08. Responsible for conducting and maintaining an ongoing Child Find aimed at locating and identifying students with special needs and developing programs as needed.

09. Supervise all aspects of the school psychological program.

10. Coordinate and plan training for current psychometric instruments in the administration, scoring, and interpretation of such assessments.

11. Serves as consultant to special education and gifted teachers.

12. Supervises the referral process of the children from Child Find and in-school referrals according to Federal and Mississippi Department of Education guidelines through assessment, eligibility, and Individualized Education Program (IEP) development.

13. Keep Superintendent informed on continuous basis regarding special education program, personnel, challenges, and parent/school relations.

14. Attend State Department of Education and special meetings designed to improve special education services.

15. Assist in recommending and implementing policy.

16. Serve as agency representative on Local Survey Committee as appropriate or requested.

17. Serve as district-wide coordinator for state and federal compliance reviews for special education and gifted.

18. Collect program evaluation data for purposes of revising programs or planning new programs which coordinate with overall district programs and mission.

19. Analyze and synthesize assessment results and make recommendations for instructional improvements and adjustments.

20. Coordinate selection and purchasing of adequate and appropriate instructional materials to facilitate individualized instruction.

21. Assure that program operation is within federal and state guidelines and conforms to local district policies and procedures.

22. Supervise the IEP process, compliance reviews, and procedural safeguards.

23. Plan and administer all areas of extended school programs for special education standards, i.e., student eligibility, special programming, and related services, budgets, and reporting.

24. Complete all local, state, and federal forms required in accounting for students with special needs and gifted students.
25. Complete annual Individuals with Disabilities Education Act, Part B and Preschool Application and all amendments for the Columbus Municipal School District. Prepare coordinating budgets and proposals for approval by District Business Administrator, Superintendent, and School Board.

26. Complete annual State Performance Plan in conjunction with data from Annual Performance Report with input from leadership team.

27. Complete all Program Management requirements from the Mississippi Department of Education, Office of Special Education, including, yet not limited to December 1 Count, Extended School Year Application, Education Child Application, Interpreter Application, Positive Behavior Specialist Application, and Maintenance of Effort requirements.

28. Supervise alternate testing of Students with Disabilities to include teacher training, accommodation reporting, and all testing compliance requirements.

29. Agree to all state and local requirements for staff development credit, administrative professional development, and recertification.

30. Serve as a liaison/consultant for the school district in the participation of pre-hearing, mediation, and Due Process Hearing.

31. Research the law as it applies to issues of Due Process and assist the District in the implementation of results and recommendations.

32. Assist in conflict resolution and problem solving.

33. Performs additional duties as assigned and directed by the Superintendent or Designee.

Terms of Employment: 236 Days

Evaluation: Subject to provisions of School Board policies on performance evaluations.

Salary: Salary Schedule 5, based on degree and experience

Received by: Date:

COLUMBUS MUNICIPAL SCHOOL DISTRICT

JOB DESCRIPTION

Position Title: Vocational Director (Career and Technical Education)
Position Type: Exempt
Reports To: Superintendent and Assistant Superintendent of District and School Operations
Supervises: Vocational Technology Center staff and others as assigned by the Superintendent.

Primary Function: To provide students enrolled in the vocational/technology programs with education and training of sufficient excellence to enable them upon graduation to enter the job market with well-developed skills, varied intellectual interests, and sufficient understanding and curiosity to continue their growth and maturation as workers and individuals. Integrate the technical and academic curriculum in such a manner to advance student achievement in all areas.

Minimum Qualifications:

- An earned Master’s Degree (AA) or higher with administrative certification. (Required)
- Documented experience in school administration, supervision of instruction and/or as a vocational/technology director.
- Valid Mississippi Educator’s License.
- Understanding and knowledge of vocational and technology education programs with emphasis on business partnerships.
- Ability to work in a highly competitive area and build strong viable vocational technology programs.
- Ability to coordinate vocational/technology programs and academic programs in a comprehensive high school setting.

Major Duties and Responsibilities:

01. Formulates and administers a comprehensive, modern program of vocational and technical education. This program must include the evaluation and curriculum and instruction, coordination of academic and technical programs and facilitation of the relationship between education and academic education in a high school environment.

02. Maintains close working relationships with community and state agencies and area businesses, industries, and labor organizations to provide training consistent with needs, and establishes lay advisory committees as needed.
03. Continuously appraises and evaluates the total vocational program to achieve the established goals of providing the opportunity for people to prepare for gainful employment.

04. Maintains current knowledge of all pertinent rules and regulations affecting vocational education.

05. Advises and assists in obtaining state and federal funds for vocational and technical education programs. Assumes responsibility for the collection, review, and submission of all forms and reports relative to vocational education to state agencies.

06. Supervises and evaluates all instructional personnel in the vocational education program.

07. Coordinates the gathering, selecting, and analysis of data with respect to jobs available to local high school graduates. Works to identify and define local job opportunities and the role of the schools in meeting these opportunities.

08. Coordinates all work-experience programs in the schools. Arranges and directs in-service education for the staff. Interprets the vocational education program to the public.

09. Prepares and administers the departmental budget.

10. Makes recommendations for long-term adjustments, changes, additions, and deletions in the vocational education program to meet changing job trends and needs.

11. Assists in the recruitment and screening of vocational teachers for the technology center and high school.

12. Maintains membership in and participates in the affairs of professional societies devoted to the advancement of vocational education.

13. Attends special events held to recognize student achievement, attends school sponsored activities, functions, and athletic events at the technology center and high school.

14. Maintains buildings and facilities at the technology center.

15. Organize, promote, and supervise the adult education program at the technology center.

16. Supervise layout and installation of equipment.

17. Inventory equipment annually, maintain inventory records and submit information as required.

18. Assure maintenance and repair of all equipment and recommend replacement of equipment as needed.

19. Performs additional duties as assigned and directed by the Superintendent.

Terms of Employment: 236 Days

Position Title: Graduation/ Dual Credit Counselor
Position Type: Exempt
Reports To: Building Principal
Supervises: Students and others as assigned by the School Principal.

Primary Function: Coordinate the Dual Credit Program by working closely with the various offices of partner colleges and universities to provide a comprehensive program and affords high school students the opportunity to earn college credit while still in high school. This position will be responsible for all aspects of the program: planning, coordinating the enrollment process, ensuring the academic integrity of the courses, funding, overseeing end-of-semester completion activities, continued promotion, and awareness of the program to high school students, their parents, counselors, and teachers. Other related responsibilities include collection, processing, and verification of student applications, funding assessments and reporting, grade reporting, and advising dual enrolled students.

Minimum Qualifications:

- An earned Master’s Degree (AA) or higher in School Counseling or School Administration.
- Experience working with high school students, preferably with dual enrollment/credit programs.
- Working knowledge of college enrollment processes and procedures for dual credit students.
- Strong interest in student success.
- Ability to plan and meet deadlines.
- Ability to problem-solve and help in the resolution process.
- Ability to resolve conflicts between all stakeholders in the dual credit program.
- Ability to effectively communicate both written and orally.

Major Duties and Responsibilities:

01. Administer dual credit program with partner colleges and universities for high school students.

02. Plan and identify in consultation with college liaisons and high school administrators and counselors the most appropriate dual credit courses and coordinate the scheduling and delivery of such courses and related services.
03. Serve as the primary college liaison between high school and college personnel.

04. Serve as the point of contact for the dual credit program.

05. Assists with planning for students to transition to a college or university of their choice.

06. Track students as they work on dual credit courses and communicate to prevent problems.

07. Develop yearly dual credit calendar and establish and implement a timeline and processes for all tasks related to recruitment, enrollment, retention, and reporting, including dual credit enrollment application, testing, registration, and enrollment roster due dates.

08. Prepare and send communications to stakeholders each semester regarding dual credit enrollment and outcome achievements.

09. Maintain fall and spring semester documentation of dual credit students and their classes and ensure that classes are entered into INow, or whichever student data system is currently in use.

10. Ensure students are registered in college and university registration systems and in INow, or whichever student data system in currently in use.

11. Work with college and university liaisons, students, counselors, and parents to help resolve academic student issues in dual credit.

12. Assists in the coordination of the online application process for students in dual credit programs.

13. Serve as proctor for all online midterm and final exams for dual credit students.

14. Provide the Business Office with billing information for each semester’s billing.

15. Work to ensure implementation of special activities and events to improve graduation outcomes for all students.

16. Plan and coordinate yearly College View for all eligible students, to include all required paperwork, transportation, and securing supervision.

17. Plan and coordinate the fall and spring Reality Fair for all eligible students. Work with the Columbus Junior Auxiliary to coordinate dates and times. Provide all necessary materials to 11th Grade English teachers for programs.

18. Plan and coordinate PALS mentoring program with elementary schools. Ensure all PALS students have appropriate paperwork and documentation. Oversee student mentors.

19. Plan and coordinate the recognition of eligible students for graduation in the areas of:
   a- Dual Credit
   b- Advanced Placement
   c- Military Readiness
   d- ACT Achievement
   e- Work-place Readiness

20. Attends staff meetings and serves on staff committees as required.

21. Performs additional duties as assigned and directed by the principal.
**Terms of Employment:** 190 Days

**Evaluation:** Subject to provisions of School Board policies on performance evaluations.

**Salary:** Salary Schedule 17, based on degree and experience

COLUMBUS MUNICIPAL SCHOOL DISTRICT

JOB DESCRIPTION

Position Title: Special Education Case Manager
Position Type: Exempt
Reports To: Director of Special Education or Designee
Primary Function: Serves as a special education subject matter expert in the coordination and implementation of instruction for students with cognitive and developmental delays in accordance with district procedures and state and federal laws. Ensure the implementation and prescribed activities are carried out in accordance with specified objectives. Assist with planning and development methods and procedures for implementing programs. Assist with coordinating program activities and collaborates with personnel responsible for specific functions of phase of programs. Confers with staff to explain program and individual responsibilities for functions and phases of program. Assist with implementation activities and carrying out objectives of program.

Minimum Qualifications:
- An earned Bachelor’s Degree (A) or higher. (Preferred)
- Special Education Certified
- Three (3) to Five (5) years of experience.
- Microsoft Office experience. (Preferred)
- Mississippi Student Information System experience. (Preferred)
- Ability to effectively communicate both written and orally.

Major Duties and Responsibilities:
01. Develops and implements district-wide specialized staff training for special education teachers, support staff, administrators, and parents on specialized instructional strategies for students with disabilities. Develops and monitors district-wide program implementation, instructional materials, and curriculum materials.

02. Collaborates with teachers, principals, and regional staff regarding special education services in schools on student placement and evaluation. Monitors systematic collection and analysis of student data to review achievement and evaluate effectiveness of district-wide instruction for students with disabilities.

03. Enters all special education district level information into Mississippi Student Information System (MSIS) and verifies the accuracy of the information.
04. Monitors classroom instruction and behavior interventions via observations, walk-throughs, modeling, demonstrations, and conferences.

05. Serves as a resource to campus personnel in the selection of adaptive materials and equipment based on students’ Individualized Education Plans (IEP) and provide teacher consultation on their use.

06. Serves as a resource to campus personnel with the Individualized Educational Plan development.

07. Performs additional duties as assigned and directed by the Director of Special Education or Designee.

Terms of Employment: 210 Days

Evaluation: Subject to provisions of School Board policies on performance evaluations.

Salary: Salary Schedule 18, based on degree and experience

Received by: Date:
Position Title: Behavior Specialist
Position Type: Exempt
Reports To: Building Principal and Director of Special Education
Primary Function: To aid administrators, teachers, and students in creating and maintaining an environment conducive to learning based on the behavioral needs of each student. While the main responsibility of the behavioral specialist is to assist with students who have a disability, the specialist may also assist regular educators of Multi-Tiered Systems of Supports (MTSS) Team in developing positive behavioral interventions for regular education students who are possibly being considered as a referral for special education services.

Minimum Qualifications:

- An earned Master’s Degree (AA) or higher in Psychology, Counseling, Special Education, Social Work, or related fields.
- Three (3) years of experience in clinical counseling or experience working with severe behavioral and emotional issues.
- Any equivalent combination of training or education with a minimum of three (3) years of applicable experience may be accepted.
- Ability to effectively communicate both written and orally.

Major Duties and Responsibilities:

01. Maintains case records on all referred students.
02. Participates as a member of any group of district personnel involving with considering and making referrals that result in the need for functional behavioral assessments and/or positive behavioral interventions.
03. Screens students identified/referred by school personnel as potentially benefiting from services.
04. Recommends corrective procedures.
05. Assists in completion of functional behavioral assessments and dissemination of results to necessary district personnel.
06. Conducts individual and/or group therapy for children as necessary (instruction in social skills, conflict resolution, anger management, etc.).

07. Confers with school administrators, teachers, and parents whenever necessary.

08. Serves as a consultant to teachers on management of student behavior and write behavior management plans.

09. Attend IEP meeting of students when positive behavioral interventions are required.

10. Refers parents to appropriate community agencies for assistance.

11. Provides and assists in providing training in this area to district personnel as necessary.

12. Participates in the District’s approved Professional Development Program.

13. Makes referrals and connects students and families with outside agencies not limited to community mental health, acute and long-term care facilities, medical doctors, psychologists, social workers, and/or counselors to provide a continuum of care for students with behavioral concerns.

14. Collaborates with parents and outside agencies not limited to community mental health, acute long-term care facilities, medical doctors, psychologists, social workers, and/or counselors to provide a continuum of care for students with behavioral concerns.

15. Provides follow-up for student threat assessments which are deemed moderate to high level by the threat assessment coordinator at the school level.

16. Performs additional duties as assigned and directed by the principal or director.

Terms of Employment: 210 Days

Evaluation: Subject to provisions of School Board policies on performance evaluations.

Salary: Salary Schedule 18, based on degree and experience

Received by: Date:
Position Title: Psychometrist
Position Type: Exempt
Reports To: Director of Special Education
Primary Function: To provide competent, effective assessment services to promote the educational development of each student for whom they are responsible.

Minimum Qualifications:
- Other qualifications as deemed appropriate by administration.
- Ability to effectively communicate both written and orally.

Major Duties and Responsibilities:
01. Reviews the referral packet on each child who has been referred for a comprehensive assessment to determine the appropriate individualized test to be administered in accordance with MDE regulations and serve as chairman of the special education assessment team.
02. Administers individualized tests and compile the required records, reports, and test data prescribed for submission to the screen team in conjunction with at least one other assessment team member.
03. Participates in parent and assessment team meetings to determine, based on data collected, if child meets eligibility criteria for special education according to MDE guidelines.
04. Maintains case records on all students referred for a comprehensive assessment.
05. Maintains records on the status of students involved in the “Referral-to-Placement” process through weekly reporting to the Special Education Director.
06. Coordinates and schedules testing to ensure district compliance with mandatory timelines on initial referrals and reevaluations.
07. Assists building level administrators in making referrals to outside agencies when appropriate.
08. Prepares and submits in a timely manner requisitions for testing materials to the Special Education Director.
09. Reviews testing materials on a yearly basis.
10. Keeps abreast of federal, state, and local guidelines and regulations related to the identification, evaluations, and FAPE of exception students.
11. Conduct intellectual evaluations for Gifted Referrals.
12. Prepares and submits assessment team reports for all eligible gifted students.
14. Participates in IEP meetings and Parent conferences when necessary.
15. Demonstrates prompt and regular attendance.

Position Title: Employment Facilitator / Transition Specialist
Position Type: Non-Exempt
Reports To: High School Principal or Designee
Primary Function: To use leadership, supervisory, and instructional skills to promote the educational development of each student. Will plan and implement a program of employment skills training, independent-living skills, and jobsite development, job placement and post-placement support for youth with disabilities. This position will assist youth beginning in their last year of high school and may continue providing transition services until the youth is successfully employed after high school.

Minimum Qualifications:
- An earned High School Diploma or equivalent.
- An earned Associate’s Degree of Arts. (Preferred)
- Minimum of one (1) year of experience working with students with special needs.
- Professional experience performing work related to this position in an employment and training program, developing jobs, or assisting others to determine career alternatives.
- Experience working with youth. (Preferred)

Major Duties and Responsibilities:
01. Conduct individual and group instruction in employment skills and work-maturity skills including resume development, interview skills, employer expectations, independent-living skills, positive work attitudes, developing initiatives, motivation, and responsibility.
02. Assist in the development of the Individualized Transition Plan (ITP) in collaboration with students, parents, special education case carriers, Department of Rehabilitation counselors and the Vocational Programs Director, and other agency representatives.
03. Participates in the development of the students’ Individualized Plan for Employment (IPE).
04. Assist in the Department of Rehabilitation’s intake process in cooperation with the Rehabilitation counselor and attend related meetings.
05. Provide career exploration, job development, job placement, and coaching services to TPP students at the direction of the ITP and IPE.
06. Develop potential job-sites in the community, marketing programs, and services of the TPP and the local education agency for the student.

07. Communicate and collaborate with students, parents, employers, school personnel, and agency representatives to exchange information, resolve issues or concerns and coordinate activities.

08. Attend a variety of staff and other meetings or conferences as assigned.

09. Make presentations as requested.

10. Prepare reports and maintain records related to students and assigned activities.

11. Operate a computer and other office equipment as assigned.

12. Drive a personal vehicle to transport students to job shadows, tours, interviews, and other activities related to career exploration and job-finding as assigned.

13. Assist students in studying for driving permit tests.

14. Confer with and assist program directors with supervision and evaluation of specific program goals.

15. Has knowledge of:
   a- Community resources that support job training and employment.
   b- Career planning and job placement methods and practices.
   c- Policies and objectives of the TPP program and related activities.
   d- Interviewing, public speaking, and advisement techniques.
   e- Local job market, growth occupations, and the needs of employers.
   f- Basic principles and practices of employment training, including methods of developing learning materials.
   g- Methods of working with youth with disabilities (i.e., teaching to an individual’s learning style, methods of accommodation for areas of weakness, etc.).
   h- Interpersonal skills using tact, patience, and courtesy.
   i- Standard English usage, spelling, grammar, and punctuation.
   j- Record-keeping techniques.
   k- Oral and written communication skills.
   l- Technical aspects of field of specialty.
   m- Operation of a computer and assigned software.

16. Has ability to:
   a- Plan and implement a program of employment skills training, independent-living skills, job-site development, job placement, and post-placement support for youth with disabilities.
   b- Recruit employers and develop jobsites.
   c- Monitor and evaluate student progress.
   d- Communicate effectively and tactfully in both oral and written forms.
e- Be a productive and collaborative member of a team.
f- Establish and maintain cooperative and effective relationships with others.
g- Work independently with little direct daily supervision.
h- Prepare and maintain records and reports.
i- Operate a computer and other office equipment.
j- Meet schedules and timelines.
k- Organize work activities in an effective and timely manner.
l- Interpret and apply rules and regulations related to assigned activities.
m- Plan, coordinate, and schedule to meet program goals.
n- Be flexible and receptive to change.
o- Adapt to periodic heavy workload.

17. Performs additional duties as assigned and directed by the High School Principal or Designee.

Terms of Employment: 187 Days

Evaluation: Subject to provisions of School Board policies on performance evaluations.

COLUMBUS MUNICIPAL SCHOOL DISTRICT

JOB DESCRIPTION

Position Title: Athletic Director
Position Type: Exempt
Reports To: High School Principal, Superintendent, and/or Designee.
Supervises: Athletic Coaches, Sponsors, and Students (K-12)
Primary Function: To provide leadership, organization, and supervision to all athletic and extra-curricular activities and programs in the school district. In addition, to provide support and leadership to the overall academic program and mission of the District.

Minimum Qualifications:
- An earned Master’s Degree (AA) or higher.
- Holds a valid Mississippi Educator’s License with proper endorsement.
- Documented experience as a supervisor of athletic programs and/or as Director of Athletics.
- Understanding and knowledge of extra-curricular activities and sports programs with emphasis on athletic administration.
- Ability to work in a highly competitive area and build strong, viable extra-curricular activity programs in the school district.
- Documented school administration experience. (Preferred)

The Columbus Municipal School District provides extra-curricular activities and programs in accordance with all rules, policies, and procedures established by the National Federation, Mississippi High School Athletic Association (MHSAA), and Mississippi State Department of Education. The following general and specific job functions support this statement.

Major Duties and Responsibilities:

01. Evaluates job performance of all head coaches and/or sponsors in the district, with annual written evaluations submitted to the Principal, Superintendent, or their designee, using documentation as an accurate instrument in the evaluation.

02. Coordinates and supervises scheduling of all athletic activities.

03. Ensures all events are coordinated and supervised by appropriate administrators.

04. Provides leadership for organization and development of the district-wide athletic program as it is impacted by the Mississippi High School Activities Association and District policy.
05. Demonstrates a high degree of ethics, professionalism, human relations, and be a positive role model for all students.

06. Promotes and encourages student participation in all sports.

07. Fosters good school/community relations by keeping the community aware of and responsive to the district’s overall athletic program; coordinates information for the media/press through the Public Information Officer.

08. Plan arrangements for non-school use of playing fields and facilities.

09. Supervises the implementation of the Mississippi High School Activities Association rules and regulations within the District.

10. Manages all athletic financial affairs and works with the Superintendent, District Business Manager, Principals, and other coaches in such matters.

11. Prepares and maintains a master sport calendar, working with coaches and administrators to minimize conflicts, communicating these dates throughout the district and community.

12. Plans and supervises an annual recognition program for school athletes.

13. Monitors the athletic program to ensure compliance with Title IX.

14. Assumes responsibility for the organization and scheduling of all inter-scholastic athletic events including the assignment of officials, team physicians, security, etc. to games and events and assumes general responsibility for the proper supervision and safety of those in attendance at home games.

15. Supervises all ticket sales and fundraising events of athletic programs.

16. Arranges transportation for athletic contest participants or delegates the responsibility to the head coach.

17. Compiles statistical records and season results for District games.

18. Certifies to the principal, the students eligible and qualified to participate in a sport in accordance with the appropriate regulating organization or agency.

19. Investigates all allegations of infractions of activity and athletic rules and regulations, securing information from those involved and recommends to the Superintendent, or their designee, appropriate action based on findings of investigations.

20. Coordinates the upkeep of buildings and grounds related to athletics and delegates responsibility of staff members, custodians, and others in this regard. Will work with the Maintenance Director, Superintendent, or Designee on facility planning and five-year facility plans.

21. Ensures home athletic venues are prepared for home-hosted events and delegates responsibility of staff members, custodians, and others in this regard.

22. Evaluates all athletic programs on an annual basis; makes recommendations for improvement to the Superintendent and building administrators.

23. Provides for in-service of coaching staff as needed and encourages coaches to attend clinics. Attends MHSAA clinics, meetings, etc. Participates in state athletic directors’ associations/organizations, such as MAC, MAAA, etc.
24. Completes an evaluation form and holds a conference with all coaches within three (3) weeks after
the conclusion of their sport season.

25. Provides guidance for and collaborates with all athletic booster clubs.

26. Organizes a program that monitors and supports the academic performance of all students involved
in athletic programs and activities.

27. Organizes a program that monitors and supports the academic performance of all students involved
in athletic programs and activities.

28. Formulates and administers an inventory system for fixed assets/equipment of athletic programs.

29. Establishes an atmosphere that ensures open lines of communication through regular coaches’
meeting as well as meetings with selected school and community groups.

30. Alerts the High School Principal, Superintendent, or their Designee to any suspicious activity
immediately upon discovery.

31. Specific job functions include:
   a- Serves as the liaison between the school and the respective sports booster clubs.
   b- Organizes in-service training programs for high school and middle school.
   c- Prepares and assists in the administration of athletic budget and coaching supplies.
   d- Process bills, game gratuities, travel, and meal expenses and legitimate reimbursements for
      athletic events to accounting office; oversees scheduling of necessary travel and meal
      arrangements for athletic teams in the school district.
   e- Prepares for home athletic contests for all schools, to include financial arrangements, assignment
      of field force, necessary maintenance, and promotion of activity.
   f- Assists in formulating bid specifications.
   g- Prepares bids in cooperation with the District Business Manager for equipment, supplies,
      uniforms, and athletic programs.
   h- Ensures that all facilities are kept clean, submits requests for repair or improvement of facilities;
      arrange details of visiting teams’ needs; makes necessary arrangements for use of non-school
      playing fields and facilities.
   i- Coordinates sale of individual tickets for all games.
   j- Meets periodically with high school and middle school personnel to inform them of guidelines
      related to the over-all programs; meets with other high school and middle school coaches to
      coordinate athletic programs.
   k- Determines and monitors eligibility of each athlete prior to participation in practice, game
      situation, or any organized activity in that sport.
   l- Ensures that medical screening for each student athlete has been provided prior to participation in
      any practice or game.
   m- Informs all coaches of rules and regulations pertaining to the conduct of the athletics program,
      i.e., handbook, in-service programs, and updates, ensuring they are thoroughly understood.
n- Develops a procedure to notify parents and student athletes of rules and regulations that apply to participation.

o- Enforces rules and regulations with established actions and penalties that are clearly stated and given to parents, student athletes, and coaches.

p- Coordinates with school district security to provide for security and parking at athletic events.

q- Arranges field and gym practice schedules.

r- Administers the insurance program covering school athletes and assumes responsibility for all processing of reports and claims.

s- Keeps records of the results of all junior and senior high school athletic contests and maintains a record file of all award winners, stating the date and type of award, include athletic scholarships.

t- Plans and supervises an annual recognition program for school athletes.

u- Performs other such duties and responsibilities as may be assigned.

32. Performs additional duties as assigned and directed by the District Business Manager.

Terms of Employment: As Assigned

Evaluation: Subject to provisions of School Board policies on performance evaluations.

Salary: Salary Schedule 34

Received by: Date:
